The Veridian

**1133 East West Highway
Silver Spring, MD 20910**

The Veridian combines an exciting urban location just steps from the Silver Spring Metro station (Red line) with luxurious appointments and outstanding amenities. Open floor plans with abundant natural light, exciting designer kitchens with track lighting, full-size washers and dryers, and expansive walk-in closets in many units are just some

of the features available at The Veridian. Outside your apartment, amenities include a full-service concierge, a spectacular 'green' roof with a pool, sundeck, gas grills and gathering spaces, two fully equipped fitness centers with iPod cardio theaters, a WiFi eLounge, and an expansive resident gathering room atop the building with billiard rooms, a catering kitchen, flat screen televisions and a private conference/dining room. A unique children's playroom allows little ones explore tubes, tunnels and slides, while a controlled-access parking garage with bike racks and an on-site food/wine store and nearby cafés add to the urban experience.
